Dealer Comments

Check out this 2026! An affordable compact seating as many as 4 occupants with ease! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Top features include remote keyless entry, speed sensitive wipers, an outside temperature display, and power windows. Ford made sure to keep road-handling and sportiness at the top of it's priority list. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We'd also be happy to help you arrange financing for your vehicle. Please don't hesitate to give us a call.
