Dealer Comments

This Ford won't be on the lot long! Both practical and stylish! A turbocharger further enhances performance, while also preserving fuel economy. Ford prioritized comfort and style by including: power door mirrors, remote keyless entry, and 1-touch window functionality. Ford made sure to keep road-handling and sportiness at the top of it's priority list. It features an automatic transmission, rear-wheel drive, and a 2.3 liter 4 cylinder engine. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
