- Engine:Intercooled Turbo Premium Gasoline I-4 2.3 L/140

Dealer Comments

This Ford won't be on the lot long! You'll appreciate its safety and convenience features! A turbocharger further enhances performance, while also preserving fuel economy. It includes heated seats, a tachometer, power door mirrors, and power seats. Ford made sure to keep road-handling and sportiness at the top of its priority list. Smooth gearshifts are achieved thanks to the 2.3 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have. We are here to help you.
