Dealer Comments

This vehicle won't be on the lot long! Ensuring composure no matter the driving circumstances! The engine breathes better thanks to a turbocharger, improving both performance and economy. It includes power seats, power moon roof, a power liftgate, and power windows. Smooth gearshifts are achieved thanks to the 3.5 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our sales staff will help you find the vehicle that you've been searching for. We'd be happy to answer any questions that you may have. Stop by our dealership or give us a call for more information.
