Reviews:
 * Should you and your family (or you and your business) require room for eight and 9,000 pounds of towing capability, Ford's 2013 Expedition responds to that need. The now-venerable Expedition offers an ambitious spec (overhead cam powertrain, all-independent suspension) to complement an aggressive menu of options and individualization. Source: KBB.com
 * Roomy third-row seat; easy-to-fold rear seats increase interior flexibility; more towing ability than similarly spacious crossovers. Source: Edmunds
