A turbocharger further enhances performance, while also preserving fuel economy. Ford prioritized practicality, efficiency, and style by including: heated and ventilated seats, front dual-zone air conditioning, and seat memory. Under the hood you'll find an 8 cylinder engine with more than 400 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have.
