Dealer Comments

This vehicle won't be on the lot long! This is an excellent vehicle at an affordable price! A turbocharger further enhances performance, while also preserving fuel economy. It includes heated seats, a rear step bumper, front fog lights, and cruise control. Smooth gearshifts are achieved thanks to the 2.3 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have. Stop in and take a test drive!
