Dealer Comments

Meet the 2024 Chevrolet Express 3500 LT, a full-size passenger van engineered to transport groups safely and comfortably with room for up to 15 passengers in a flexible 2-3-3-3-4 seating configuration.- 15-Passenger Seating with 2-3-3-3-4 Configuration- Sliding Passenger-Side Door- Rear Park Assist- Side Blind Zone Alert- Lane Departure Warning System- Forward Collision Alert- Remote Keyless Entry with Keyless Entry Control Module- Chrome Appearance Package with Full Chrome Bumpers and Chrome Grille- Rear Air Conditioning- Full-Floor Color-Keyed Carpeting- Front and Rear Reading Lights- Deluxe Console with Swing-Out Storage Bin- OnStar and Chevrolet Connected Services Capability- Electronic Stability Control and Traction Control- Front Wheel Independent Suspension This Express 3500 is finished in white with a professional appearance enhanced by the Chrome Appearance Package, featuring front and rear chrome bumpers with step-pads, a chrome grille, and wheel trim with chrome center caps. The exterior is complemented by heated power door mirrors and fully automatic headlights with delay-off functionality, providing convenience during daily operations. Inside, the 15-passenger layout maximizes flexibility with its 2-3-3-3-4 seating configuration, allowing you to arrange the cabin to meet specific group transportation needs. The front bucket seats are reclining and include inboard armrests, while the fourth-row bench seat offers the 50/50 split, 2-piece design for easy reconfiguration. Full-floor color-keyed carpeting and front and rear reading lights create a well-appointed interior environment. Safety and awareness features include rear park assist, side blind zone alert, lane departure warning system, and forward collision alert to help keep your passengers secure. The van is equipped with dual front impact airbags, dual front side impact airbags, and an overhead airbag system. Electronic stability control, traction control, and 4-wheel disc brakes with ABS provide confident handling, while OnStar and Chevrolet Connected Services capability keeps you connected. Climate control is

addressed through dual-zone air conditioning with both front and rear systems, allowing passengers throughout the cabin to stay comfortable. Power steering, power windows, and a tilt steering wheel provide convenient operation, while cruise control, a trip computer, and a compass add functional convenience features. The 4.3L V6 engine paired with an 8-Speed Automatic transmission with overdrive delivers the performance needed for group transportation, backed by a front wheel independent suspension for a smooth ride. Tomball, Houston, Harris, Montgomery, Katy, Spring, The Woodlands, Porter, Conroe, 77375. Please call ahead to check availability!!
