Even the most basic model looks lean and mean, a testament to the power of the Camaro's design. Source: KBB.com * Strong acceleration with any engine; head-turning looks; capable handling. Source: Edmunds * The new 2015 Camaro is the perfect blend of distinct design, cutting-edge technology and exhilarating performance. Simply put, it's the full package. Performance-driven design enhancements to the front and rear fascias give the new Camaro a low, wide, contemporary look. But this sports car is more than a beautifully styled body, because what's on the inside matters too. LS and LT models use a 3.6-liter, 323-horsepower V6. SS versions have a 6.2-liter, 400-horsepower V8 with Active Fuel Management for models with the automatic transmission, or a 6.2-liter, 426-horsepower V8. ZL1 models
