Reviews:
 * If a smaller, well-equipped SUV with seating for five and good fuel economy is on your to-buy list, it's hard to ignore the RAV4. Sharp looks, competitive pricing and a strong reliability history further bolster its appeal. Those seeking an all-electric SUV will only find it in the 2013 RAV4 EV. Source: KBB.com
 * Roomy interior for both people and cargo; strikes a good balance between ride comfort and sure-footed handling. Source: Edmunds
