How about this great vehicle! The optimal mix of performance and efficiency! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Ford infused the interior with top shelf amenities, such as: power door mirrors, an overhead console, and much more. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Please don't hesitate to give us a call.
