- For additional information, financing options, trade-in assistance, or to schedule your personal test drive, contact our team today at 346-358-1833. We look forward to earning your business and showing you why so many customers choose Mac Haik Toyota for their next vehicle purchase.
- Safety and Security**
 - The vehicle constantly monitors the roadway in front of the vehicle and identifies and tracks pedestrians on an interior display. If the system determines a likely impact, it will automatically take preventative steps to avoid hitting the pedestrian.
 - With this system the driver's hands must remain on the wheel at all times but can be removed briefly (for a few seconds), otherwise the vehicle will prompt the driver to put their hands back on the wheel.
- Technology**

and Telematics. Without the need for a manufacturer specific app to be installed on the smart device, the vehicle infotainment system can access and control functions of a smart device physically plugged-into the vehicle. Mobile devices can wirelessly connect to the internet through the vehicle's private mobile network.
