Source: Edmunds * If an SUV is too big and fuel-thirsty, the Odyssey will provide all the room you need and then some, not to mention easy-access sliding side doors. When it comes to fuel economy, the Odyssey's highway rating of 28 mpg handily trumps that of its rivals. Source: KBB.com * The 2014 Honda Odyssey has a wide, low stance with a modern aerodynamic feel. Its fresh, angled lines, and lightning bolt styling on the side, combined with 2014 updates to its front end, grille, and rear taillights result in a bold overall design. Take into consideration its great records for reliability and safety combined with fact that it is enjoyable and comfortable to drive, and this is one vehicle should not be missed. On the inside, the Honda Odyssey provides abundant seating and cargo space. Depending on the trim level you select, it can seat up to 7 or 8 passengers. The third row seats are split, and each seat can fold flat into the floor. The outside seats in the second row can slide towards the walls, so that three child safety seats can fit next to one another. The Multi-Function 2nd-Row Center Seat, on EX trims and above, can either fold forward to become a center console or slide forward 5.5 inches to enable a child seat to be closer to the driver and front passenger. For extra cargo space, one or all of the second row seats can be removed as well. Powering the 2014 Odyssey is a 3.5-Liter V6 engine, with 248 Horsepower, which gets an EPA estimated 19 MPG City and 28 MPG Highway. New for 2014, all trims now come standard with a 6-speed automatic transmission. The base Odyssey, comes standard with such items as a rearview camera, an AM FM CD Radio with 7 speakers and a color 8-inch interface screen, Bluetooth
