Convenience

- Cruise control maintains a preset vehicle speed; automatically increasing or decreasing throttle to maintain that speed.
- Access to the cargo area is gained via a large, power-operated rear door that opens upwards. This door may also contain the rear windshield of the vehicle.

Safety and Security

- The vehicle is equipped with a camera that displays an image of the area behind the vehicle on an interior

display.

Technology and Telematics

Without the need for a manufacturer specific app to be installed on the smart device, the vehicle infotainment system can access and control functions of a smart device physically plugged-into the vehicle.

At Mac Haik Toyota, we're here to **Serve you!** Our staff is 100% dedicated to customer satisfaction and we understand that you need clear, transparent information throughout the car buying process. With our live market pricing philosophy, we offer the right cars at the right price, and the transparency to back it up!
