Dealer Comments

Fred Haas Nissan has earned the Nissan Award of Excellence and the prestigious Nissan Global Dealer Award 8 Times!! This 2023 Nissan Rogue SV in gray delivers practical, dependable transportation with a modern design that fits seamlessly into your daily routine. With approximately 60,114 miles on the odometer, this AWD model is backed by proven Nissan engineering and quality construction.- 1.5L Turbocharged Engine with 201 horsepower- All-Wheel Drive for enhanced traction and stability- Automatic temperature control with front dual zone air conditioning- NissanConnect featuring Apple CarPlay and Android Auto compatibility- Power driver seat for personalized comfort- Heated power door mirrors- Auto High-beam Headlights with delay-off feature- Rear Parking Sensors for convenient maneuvering- Dual front and side impact airbags with knee and overhead airbags- Electronic Stability Control and four-wheel independent suspension- Steering wheel mounted audio controls- SiriusXM satellite radio capability- Split folding rear seat for flexible cargo space- 18-inch aluminum alloy wheelsThis Rogue SV achieves solid fuel efficiency with an EPA-estimated 28 city and 35 highway MPG, making it economical for both commuting and longer drives. The continuously variable transmission provides smooth acceleration while maintaining efficiency. The interior offers comfortable front bucket seats with a center armrest, and cloth trim throughout keeps maintenance straightforward. Climate control features include the rear window defroster and fully automatic headlights for convenience in changing weather conditions.This vehicle is certified pre-owned, meaning it has undergone rigorous inspection to verify quality and reliability. You can feel confident in the mechanical soundness and overall condition of this Rogue SV. The comprehensive inspection completed during certification ensures that this vehicle meets strict standards before delivery to our showroom.The safety profile includes electronic stability control, traction control, and anti-roll bars front and rear working to keep you secure on

the road. Four-wheel disc brakes with ABS provide responsive stopping power, while the occupant sensing airbag system adapts to your vehicle's occupants. An emergency communication system through NissanConnect Services adds an extra layer of security. Practical conveniences make ownership easier, including remote keyless entry, power windows and steering, an overhead console for organization, and a trip computer to monitor your driving. Variably intermittent wipers adapt to rainfall automatically, and speed-sensitive wipers enhance visibility at highway speeds. The telescoping and tilting steering wheel adjusts to fit your driving position perfectly. Tomball, Houston, Harris, Montgomery, Katy, Spring, The Woodlands, Porter, Conroe, 77375.
