SR5 Upgrade Package (\$1,015 value)

- Convenience
- This "intelligent" cruise control system uses laser or radar to maintain a preset following distance behind another vehicle, automatically braking (to a complete stop if needed) or accelerating as required.
- Safety and Security
- The vehicle is equipped with a system

that senses, and then prepares, the vehicle and/or occupants, for an impending forward collision.

The vehicle constantly monitors the roadway in front of the vehicle and identifies and tracks pedestrians on an interior display. If the system determines a likely impact, it will automatically take preventative steps to avoid hitting the pedestrian.

The vehicle is equipped with a camera that displays an image of the area behind the vehicle on an interior display.

Brake assist senses panic braking from the speed of the brake pedal's travel and applies all available power brake boost.

SUPER WHITE, GRAPHITE, FABRIC SEAT TRIM

At Mac Haik Toyota, we're here to **Serve you!** Our staff is 100% dedicated to customer satisfaction and we understand that you need clear, transparent information throughout the car buying process. With our live market pricing philosophy, we offer the right cars at the right price, and the transparency to back it up!
