You'll appreciate the fuel efficiency at 23 mpg in the city and 31 mpg on the highway, helping you manage fuel costs without sacrificing capability. The Sorento handles with confidence thanks to its four-wheel independent suspension and speed-sensing steering, while the anti-roll bars front and rear enhance stability during cornering. Safety is prioritized throughout the cabin with dual front impact airbags, dual front side impact airbags, knee airbags, and overhead airbags positioned to protect all occupants. Four-wheel disc brakes with ABS and electronic stability control work together to deliver responsive stopping power and enhanced traction control. The rear parking camera provides added confidence when reversing, and the low tire pressure warning system keeps you informed about your vehicle's maintenance needs. Your daily commute becomes more enjoyable with heated front seats and the power driver seat

offering multiple adjustment options. The leather steering wheel and leather shift knob add a touch of refinement, while the telescoping and tilt steering wheel allows you to find your ideal driving position. Climate control is handled through automatic temperature management with separate zones for front passengers and rear climate control via the rear window defroster. Entertainment and connectivity are seamlessly integrated with the AM/FM audio system featuring SiriusXM satellite radio, Apple CarPlay and Android Auto compatibility, and steering wheel mounted controls. The navigation system guides you accurately to your destination, while the trip computer and outside temperature display provide useful driving information at a glance.
