Convenience

Cruise control maintains a preset vehicle speed; automatically increasing or decreasing throttle to maintain that speed. The vehicle can be remotely started from the keyfob and from a smart device such as a phone and a subscription is required to maintain access to the smart device remote start function.

Safety and Security

The vehicle is equipped with a camera that displays an image of the area behind the vehicle on an interior display. Brake assist senses panic braking from the speed of the brake pedal's travel and applies all available power brake boost.

Technology and Telematics

The owner of the vehicle has the ability to tailor their emergency S.O.S. and concierge services via the internet.
