with us by calling 346-358-1833.

One Owner! OTHER NOTABLE FEATURES AND OPTIONS YOU SHOULD KNOW ABOUT:

<h4 class="">Option Group 01</h4><ul class=""><li class=""><h4 class="">Convenience</h4><ul class=""> This ""intelligent"" cruise control system uses laser or radar to maintain a preset following distance behind another vehicle, automatically braking (to a complete stop if needed) or accelerating as required. Cruise control maintains a preset vehicle speed; automatically increasing or decreasing throttle to maintain that speed.<h4 class="">Safety and Security</h4><ul class=""> The vehicle constantly monitors the roadway in front of the vehicle and identifies and tracks pedestrians on an interior display. If the system determines a likely impact, it will automatically take preventative steps to avoid hitting the pedestrian. Brake assist senses panic braking from the speed of the brake pedal's travel and applies all available power brake boost.<h4 class="">Technology and Telematics</h4><ul class=""> Without the need for a manufacturer specific app to be installed on the smart device, the vehicle infotainment system can access and control functions of a smart device physically plugged-into the vehicle.

OPTION GROUP 01, BLACK, LEATHER SEAT TRIM, CARPETED FLOOR MATS, DUAL USB PORT, FIRST AID KIT
