We look forward to earning your business and showing you why so many customers choose Mac Haik Toyota for their next vehicle purchase.

8-Passenger Bench Seating

- 8-Passenger Bench Seating (P3)

Convenience

- With the adaptive cruise control activated, the vehicle will use cameras and/or navigation data to automatically slow down for curves in the road ahead that may be too sharp for the current set speed. It will accelerate back to the set speed when the road straightens out. In addition to basic cruise control functionality, adaptive

cruise has the ability to automatically speed up and slow down the vehicle to match the speed of the vehicle ahead. If there is no vehicle ahead, it will maintain the cruising speed set by the driver. If the vehicle ahead comes to a complete stop, this system will bring the vehicle to a stop and resumes using automatic sensors or driver input.

Safety and Security

- The vehicle constantly monitors the roadway in front of the vehicle and identifies and tracks pedestrians on an interior display. If the system determines a likely impact, it will automatically take preventative steps to avoid hitting the pedestrian.
- Brake assist senses panic braking from the speed of the brake pedal's travel and applies all available power brake boost.

Technology and Telematics

- Without the need for a manufacturer specific app to be installed on the smart device, the vehicle infotainment system can access and control functions of a smart device physically plugged-into the vehicle.

8-PASSENGER BENCH SEATING, HYPER WHITE, GRAY, H-TEX LEATHERETTE SEAT TRIM, TOW HITCH, CARPETED FLOOR MATS, CARGO NET, FIRST AID KIT
